Dear Parent/Carer

**PARENT UPDATE - CORONAVIRUS**

The situation regarding Coronavirus is constantly updating and Delapre Primary School is closely following the Government advice on reducing the spread of the virus. We are encouraging staff and pupils to wash their hands regularly as the main way to protect ourselves.

There are no confirmed cases of Coronavirus affecting any member of staff or pupil at the school. We are drawing up a Contingency Plan should there be any cases and we are instructed to partially or fully close the school.

This Contingency Plan may involve your child(ren) continuing their learning from home. To help us determine whether this is a feasible option, please complete the attached form and return to the school before Tuesday 17<sup>th</sup> March.

To clarify, there are no confirmed cases relating to the school and there is currently no plan to close the school, but it is sensible to be prepared for all eventualities.

Yours faithfully
