Dear Parent/Carer

**YEAR 5 TRIP TO NATIONAL SPACE CENTRE- WEDNESDAY 5<sup>TH</sup> OCTOBER 2022**

We have an exciting opportunity for the children to visit the National Space Centre in Leicester as part of our 'Space' topic this term. This will be a valuable addition to our in class learning and an opportunity for the children to experience hands-on Science.

To benefit from a full day at the centre, we will be departing Delapre at **8:30am** on the day of the trip. Please could children arrive at school for **8:15am**. This will give us enough time to register them before starting our journey. We will aim to arrive back to school for **4:15pm**. Please keep an eye on the school's Twitter feed for any changes to this time.

If your child has permission to walk home, they can do so when we arrive back. If your child is being collected, they will be dismissed from their class line number as usual by their teacher. (5T-10, 5C-11, 5W-12).

**A packed lunch** (no fizzy/canned drinks or glass bottles and **NO** products containing nuts) **will be needed**, even if your child has a school lunch, as school lunches do not arrive in school until later in the day. Full school uniform is to be worn.

Unfortunately, due to rising costs, there will be a charge to parents for this trip. If your child is classed as Pupil Premium or has been adopted from care, then the cost of this visit will be met through our Pupil Premium funding, provided that your child meets our attendance criteria.

The charge to parents will be £17.00 per child. This will be payable through Parent Pay this week. If you wish to pay via cash, please send the full amount in a named, sealed envelope.

Please return the slip attached to your child's class teacher by **Friday 30<sup>th</sup> September 2022**.

Thank you for your continued support.

Yours faithfully
