

6<sup>th</sup> November 2020

Dear Parents/Carers

## 2M SELF ISOLATION

As previously notified, with effect of Thursday 5th November, all of class 2M pupils and staff need to be **self-isolating**. This means not leaving the house at all, for any reason, unless they are taken ill and need to go to a doctor or hospital. The Government definition of self-isolation is as follows:

What does self-isolating mean?

If you have been told to self-isolate, you will need to get to the place you are going to stay using your normal mode of transport, **once there remain indoors and avoid contact with other people**. This will prevent you from spreading the disease to your family, friends and the wider community.

In practical terms, this means that once you reach your residence you must:

**stay at home**

**not go to work, school or public areas**

not use public transport like buses, trains, tubes or taxis

avoid visitors to your home

ask friends, family members or delivery services to carry out errands for you - such as getting groceries, medications or other shopping

It is imperative that your child remains at home during this period and does not leave the house or, especially, enter school premises or public places.

If you have other children in nursery/school, and have no-one to leave your 2M child with whilst you take and fetch, please do your best to arrange for them to go with a family member from your household or your support bubble. We do not want any other children to miss vital schooling if there is any way to avoid this. If you cannot find a way to get your other children to school, you need to advise us asap. Please do not bring 2M children out of the house or onto school premises.

**With regard to home learning for 2M pupils for this isolation period, please see the following information:**

To try to help alleviate any problems or pressures associated with remote learning, we have set up an individual email address for class 2M. This is for you to use if you need to ask questions or upload work for Mr Masters - if you cannot do this in any other way. This email will only be checked during the school day, and the address to use is: [2M@delapre.northants.sch.uk](mailto:2M@delapre.northants.sch.uk)

Thank you for your support in this difficult time.

H Portrey  
Headteacher

A handwritten signature in black ink, appearing to read 'H. Portrey', is written over a white background.
