Dear Parents/Carers

### **SHARING OF IMPORTANT DATA**

Sadly, we are seeing an increase in local Covid cases, which has prompted us to think again about how we can best protect our wider school community.

One of the steps that we have agreed with our local partners at Sunbeams Pre-School/Wrap Around Care and SQDG, Wrap Around Care, is that we will now be sharing information regarding isolating pupils and positive cases. This applies only to those families that attend our school **and** use one, or both, of these two services.

We feel that this will help us further protect our children, staff and school community as we move into the winter period.

If you use either SQDG or Sunbeams for Pre-School, Breakfast Club or After School Club, and do not want us to share Covid information related to your child between these providers and our school, then please email [enquiries@delapre.northants.sch.uk](mailto:enquiries@delapre.northants.sch.uk) Head the email 'Information Sharing' and advise us of your child's name and class, the provision they use and the wording "I would like to opt out".

We thank you all for your support with our ongoing measures to keep our children, staff and families as safe as possible.

Yours faithfully

**S Casey**  
**Deputy Headteacher**
