

Attendance

As much as I would like all our children in school, it is important for me to say that in light of the situation regarding the new variant of COVID-19, and the increase in cases, it is down to you as parents/carers to make a choice as to whether you send your child to school. We do have a full risk assessment in place that minimises risks but can never eliminate them.

Clubs

There will still be no provision for any before or after-school clubs. This includes Hotshots.

Please be aware that, as a school, we want to do our best to protect all people in our community. We will continue to follow the guidance from the Department for Education and the Local Authority and will let you know of any further changes as soon as possible.

I would like to thank you for your continued support, in anticipation of what may turn out to be a very tricky term for all of us.

Yours faithfully
