

Hello to all our pupils!

Delapre Primary School will be running a Lego building competition to find our school's 'Master Builder'. Entries will cost £1 each, to submit a picture of ANY Lego construction you can make at home. It could be a vehicle, a building, a robot, anything, but you must build it yourself – no adults.... 😊.

The winning entry will win a Lego themed prize. All proceeds from the competition will go to charities associated with and/or in memory of Sam Dunkley, a former Delapre pupil who sadly passed away over the Easter holidays.

If you would like to enter, you can pay £1 via our Parent Pay portal and email a photo of yourself with your design to 5fw@delapre.northants.sch.uk. Don't forget to put your name and class on your entry email. **Closing date for entries is Friday 7th May.**

Good Luck!
