Dear Parents/Carers

**PARENT INFORMATION SESSION – “HELP YOUR CHILD BECOME A READER”
MONDAY 3rd OCTOBER 2022**

I would like to invite you to attend an information session here at Delapre, in order for you to understand how we teach children to read and importantly, how you can also help your child become a reader. The session will cover how the children learn the mechanics of reading in school via the phonics scheme 'Read, Write Inc.' It will also look at the reading book system we use in school, as well as how you can work together with us to allow for maximum progression of your child's reading skills. We will show you how a typical Read Write Inc. lesson is taught as part of the session, and you will be given some information and resources to help you support your child with their reading at home.

There are two sessions to choose from, both with exactly the same content. If you can attend one of the sessions, please indicate on the reply slip below which one it will be. The sessions are designed purely for you as parents and carers, they are not designed for the children to be present at. Entry to the school for either of the sessions will be through the main school entrance.

If you cannot attend either session, please complete the slip below to show this. Thank you.

I hope you can make it!

Yours faithfully

D Leivers (Mrs)
Deputy Headteacher
