Dear Parent/Carer

INDEPENDENT SKILLS – RECEPTION PUPILS

As your children have now started full time school at Delapre, I would like to ask for your support in some areas that will help with independence in the classroom.

As you come into the classroom in the morning, please encourage your child to carry out their routine morning tasks independently, as much as is possible. Specifically, recognising their own name for self-registration, putting their book bag in the correct box and putting their coat on their own peg. The aim is for the children to do all of those jobs themselves. I understand that they still may need support for a while.

Also, having now done P.E. it is quite apparent that many children are finding undressing and dressing themselves very challenging. We are asking that you support your child, as much as possible, to practise dressing and undressing at home. It is expected at the beginning of the year that independent skills do need developing and your help with this would be greatly appreciated.

Thank you for your continued support.

Yours faithfully
