Dear Parent/Carer

YR 3 STONE AGE DAY – Tuesday 20th October 2020

Year 3 pupils have been studying the Stone Age era this term and are going to celebrate and conclude this topic with a Stone Age Day.

Children will not be on their normal timetable for the day and will be taking part in various Stone Age activities, in the gym, hall and on the field throughout the day.

Children do not need to bring anything additional into school. However, we do ask that children wear their PE kit on that day, including outdoor clothes, trainers and a warm coat.

All usual, school expectations will apply throughout the day, with the aim to have fun and experience the Stone Age era.

Thank you for your continued support.

Yours faithfully
