Dear Parent/Carer

'TAPESTRY' ACCOUNTS – RECEPTION PUPILS

As many of you are aware, at Delapre Primary School we use an online system called 'Tapestry', to help us record your child's progress in Reception.

As the children move up to Year 1, their Tapestry accounts will be archived in order to create space for the new Reception cohort, and you will no longer have access to your account.

We are aware that the journals will contain precious memories for your child and would like to offer you the chance to download the journal, so that you have your own copy.

As of Friday 2nd July, we will not be uploading any further observations. We will generate the downloads and they will be accessible from **Wednesday 7th July**.

To download your child's journal (as a PDF and 'zip' file of photos/videos), you will need to log into Tapestry using a web browser, click on your name (in the top right-hand corner of the Tapestry screen) and then click on the 'Your Downloads' option. You will then see your child's journal/photos and videos ready for you to download. The zip file of photos and videos will last for up to 27 days and the PDF journal will last for 90 days.

If you have any problems downloading your child's journal, please speak to your child's Class Teacher before the end of this term.

Yours faithfully

A handwritten signature in black ink that reads 'L. Tomaschuk'.
