Dear Parent/Carer

WALKING TO SCHOOL

We have been made aware of number of episodes over the past few days where children have been concerned with events taking place on and around the Far Cotton Rec and Rec Centre.

A number of children, who walk to and from school independently, have raised concerns about not feeling comfortable on the journey to and from school.

We would like to advise parents to discuss this with your child and, if you or your child has any concerns, it might be sensible to plan them an alternate route to walk, or to bring and collect them from school until they feel more comfortable.

The children's journeys to and from school fall under parental, and not school, responsibility. However, we are happy to support you in whatever decision you make.

Yours faithfully

S Casey
Deputy Headteacher
