Dear Parents, Carers,

Welcome back to you all! It is fantastic to have a full school once again. The children have settled in really well already.

I would like to say a huge thank you to all of you for pulling together and wearing a face covering when you came onto the school site this morning. We gave out a few masks to those that had genuinely forgotten but not many. We really appreciate the efforts you have made in order to help keep our school community as safe as it can be.

There were just a couple of things that may help tomorrow morning run a little more smoothly...

- some children in Year 5 and 6 arrived at school quite early (some were 20 minutes early). Clearly they were excited to be back which we are happy about however we still need to try and keep the staggered start as smooth as possible in order for people to be able to maintain social distancing. Timings need to be tight for this to work. We will keep an eye on this throughout the week and let you know if there are any further issues.

- we would appreciate it if adults/children coming through gate 3 (Co-op gate) only come in at their allocated timing (there will be a member of staff to call you through).

-Year 1 8.50am

-Year 4 9.00am

-Year 5 9.10am

- a reminder to families entering through gate 1 (to the right of the school) – please use the one way system through the playground to exit the site.

Overall, it has been an incredibly positive start to the week and once again, I thank you all for your co-operation on our return to full opening of Delapre Primary School. I sincerely hope we continue to be fully open for all our wonderful children!

Yours faithfully
