

1<sup>st</sup> April 2019

Dear Parents/Carers

**Year 1 Phonics Screening information session – THURSDAY 25<sup>th</sup> April 2019**

Every year in June, Year 1 children have to take part in a phonics screening check. This year this will be happening during week commencing 10<sup>th</sup> June. There is a pass mark for the test and if a child does not achieve the mark, they will have another opportunity to complete the screening in Year 2 (at the same time as when the children in Year 1 complete it – usually June).

I would therefore like to invite you to attend a phonics screening information session here at Delapre. The session will cover how we teach the children phonics via Read Write Inc in school and how you can help your child at home with their phonic knowledge. We will also look at the phonic screening itself and explain how this is administered.

There will be some handouts to take away with you to support your child with their learning.

If you can attend the session, please indicate on the reply slip below. Entry to the school for the session will be through the main school entrance as it will take place in the main school hall.

I hope you can make it!

Yours faithfully

**D Leivers (Mrs)**  
**Assistant Headteacher**

**Year 1 Phonics Screening Information Session - THURSDAY 25<sup>th</sup> April @ 9.00am**

Please complete the following:

I/We can attend the session on Thursday 25<sup>th</sup> April @ 9.00am
