

10th February 2020

Dear Parents/Carers

Year 1 Pupils – important information

In order to encourage our pupils to become more independent, and able to organise themselves, after half term (from Monday 24th February) we would like your children to enter their classroom by themselves each morning. This way, all children will be responsible for ensuring they place their belongings in the correct place and then settle down into their morning job independently.

Communication is obviously still very important between yourself and the staff in class. If you do need to speak to your child's teacher then there will still be the opportunity for that in the morning or the end of the day. Alternatively, you can always make an appointment to speak to the teacher if needed.

Entry points

1A - Children in class 1A will be able to enter their classroom by the playground door, rather than the side entrance to the lower block

1CG - The children in class 1CG will continue to enter their classroom through the playground door

1PW - The children in class 1PW will enter the top block building as normal through the main doors where an adult will be waiting

Thank you all for your co-operation with this.

Yours faithfully

D Leivers (Mrs)
Assistant Headteacher
