Dear Parent/Carer

**YEAR 5 BLOG – GET INVOLVED!** - <http://delapreprimaryschool.org/>

This term during Year 5 ICT lessons, children are learning how to write a blog/add content to the school's blog site. The technical skills will be linked with our current subject topics.

You can visit the site regularly to see your child's work. They will be learning how to write posts, add photos, audio, videos, and downloads over the coming weeks. The blog can also be used for completing homework.

**Commenting on childrens' work**

Please help encourage this work by writing comments on the childrens' work, it's very easy and the children will be doing the same as a way to evaluate each other's work and provide an audience. All work and comments are moderated by staff before they go 'live'.

The image shows a screenshot of a 'Leave a comment' form. The form has a title 'Leave a comment' and a 'Submit' button at the bottom. There are four input fields: 'Name', 'Email', 'URL', and 'Comment'. To the right of the form, there is a small box with the text 'Delapre Primary School Blog'.

1. Under each post there is a speech bubble, click on 'add comment'.
2. A new box will come up titled 'leave a comment'.
3. Please fill in the boxes with your name, email address (this is not shown) and write your comment. (You can leave the 'URL' box empty)
4. Click 'submit' and your comment is sent to the site administrators, in this case Mr Thomas, Mrs Darby, Mr Fisher and Miss Capp.
5. Your comment will be live once it has been moderated, please allow a couple of days or so before looking at the post again.

Thank you for your continued support.

Yours faithfully
