

BLUE BUTTERFLY DAY AT DELAPRE PRIMARY SCHOOL

On Friday 22nd October 2021

'PURPOSE WITH CARE'

YEAR 4

The Blue Butterfly Project will be held at Delapre Primary School on **Friday 22nd October**. The focus will be on issues around bullying, physical and verbal aggression and e-safety.

The Neighbourhood Policing team will be delivering the presentation.

To make the morning memorable, we have chosen the Blue Butterfly as the theme. There will be a discussion around this so that the children understand why this theme has been chosen.

Kind regards
